The operating theatres will be used to help children from all over the UK who require specialist neurosurgery.

JOSHUA GALVIN & MARTIN KOLTON said: "The hairdressing community is coming together to make a difference to children's lives by helping to build new operating theatres at Great Ormond Street Hospital. We're really delighted to show our support for such a worthy cause"

"All of the team want to get behind HAIRraising and show we will go to any lengths to help these children!"

We are asking all salons to register at the HAIRraising website.
